1. In the evening when I start to pray, I think about this day
Another page is turned forever, another yesterday
And as the story of my life unfolds, I know you've read it all
Another line to be continued-will I stand or fall?

Open book, to you I am an open book
You know every page by heart
From the ending to the start
Open book, my life is like an open book
As I read between the lines
It's your love that truly binds this open book

2. When the cover of this book is closed
The final chapter read
I hope you'll find it worth the reading
I hope "Well Done" is said!
